MEMORANDUM FOR THE RECORD

SUBJECT: Trip Report of System VII Meeting at Edwards AFB, Calif.

1. On 4 February 1959 a discussion was held at Edwards AFB with Col. Howe and Mr. Hinson on System VII. The primary item of discussion concerned the Edwards participation and support of the flight test program.
2. In order to establish the requirements for Edwards, the following procedure was recommended to Col. Howe:
 - a. Mr. Hinson should attend the System VII meeting at HRB on 12 February and discuss the flight test requirements.
 - b. Mr. Hinson and Col. Howe should then prepare a flight test proposal to conform generally to the scope of the Granger proposal.
 - c. The flight test proposal should be submitted to CHALICE Headquarters for review, revision and approval.
 - d. The approved flight test program will be returned to Edwards as authority to conduct and support the System VII testing.
